DENTAL CERTIFICATE OF COVERAGE

Welcome to Anthem Blue Cross Life and Health Insurance Company ("Anthem"). This Dental Certificate of Coverage (hereinafter "Certificate") has been prepared by Anthem to help explain your dental care benefits. Please refer to this Certificate whenever you require Dental Services. It describes how to access dental care, what Dental Services are covered by Us, and what portion of the dental care costs you will be required to pay.

The coverage described in this Certificate is subject in every respect to the provisions of the Group Dental Contract issued to your Group. The Group Dental Contract and this Certificate and any amendments or riders attached to the same, shall constitute the Group Dental Contract under which Covered Services are provided by Us.

This Certificate should be read in its entirety. Since many of the provisions of this Certificate are interrelated, you should read the entire Certificate to get a full understanding of your coverage.

Many words used in the Certificate have special meanings. These words appear in capitals and are defined for you. Refer to these definitions in the Definitions section for the best understanding of what is being stated. The Certificate also contains exclusions.

This Certificate supersedes and replaces any Certificate previously issued to you under the provisions of the Group Dental Contract.

Read your Certificate Carefully. The Certificate sets forth many of the rights and obligations between you and the Plan. Payment of benefits is subject to the provisions, limitations and exclusions of your Certificate. It is therefore important that you read your Certificate.

Anthem Blue Cross Life and Health Insurance Company is an independent licensee of the Blue Cross Association. ANTHEM is a registered trademark of Anthem Insurance Companies, Inc. The Blue Cross name and symbol are registered marks of the Blue Cross Association.

Coverage Year Maximum - The maximum dollar amount payable for Covered Services for each Member during each Coverage Year. Refer to the **Summary of Benefits** for any Coverage Year Maximum or lifetime maximum amounts.

Covered Services - Services or treatment as described in the Certificate which are performed, prescribed, directed or authorized by a Dentist. To be considered Covered Services, services must be:

A Pretreatment Estimate is not a guaranty of benefits or a guaranty of payment of benefits.

You are considered covered under the Prior Plan if you: (1) were covered under the Prior Plan on the date that plan terminated; (2) properly enrolled for coverage within 31 days of this Certificate's Effective Date; and (3) had coverage terminate solely due to the Prior Plan's termination.

ELIGIBILITY AND ENROLLMENT

HOW COVERAGE BEGINS

ELIGIBLE STATUS

1. **Subscribers.** You are eligible to enroll for coverage as a *subscriber* if you are a regular *full-time employee* who actively works at least 30 hours a week in the conduct of the business of CENTRAL GARDEN & PET (or the minimum required by your organization) or any of its *participating employers*.

Ineligible Classes: Certain classes of employees, such as leased employees and independent contractors, are not eligible to participate in this *plan*. If the employer subsequently is required by a government agency, court or other tribunal to reclassify such persons as an employees, such employees will not be eligible to participate in this *plan* until the time they are specifically designated by the employer to be eligible employees. The designation will provide for eligibility only prospectively from the time the designation is made.

2. **Dependents.** The following are eligible to enroll as *dependents*: (a) The *subscriber's spouse*; and (b) A *child*.

Definition of Dependent

1. **Spouse** is the *subscriber's spouse* under a legally valid marriage. Spouse does not include any person who is: (a) covered as a *subscriber*; or (b) in active service in the armed forces.
2. The Subscriber's **Domestic Partner**, if Domestic Partner coverage is allowed under the Group's Plan. Please contact the Employer to determine if Domestic Partners are eligible under this Plan. Domestic Partners are under a legally registered and valid domestic partnership. Domestic partner does not include any person who is: (a) covered as a Subscriber; or (b) in active service in the armed forces.

For purposes of this Plan, a Domestic Partner shall be treated the same as a spouse, and a Domestic Partner's child, adopted child, or child for whom a Domestic Partner has legal guardianship shall be treated the same as any other child.

Any federal or state law that applies to a Member who is a spouse or child under this Plan shall also apply to a Domestic Partner or a Domestic Partner's child who is a Member under this Plan. This includes but is not limited to, COBRA, FMLA, and COB. A Domestic Partner's or a Domestic Partner's child's coverage ends on the date of dissolution of the Domestic Partnership.

3. **Child** is the *subscriber's* or *spouse's* natural child, stepchild, legally adopted child, foster child, or a child for whom the *subscriber* or *spouse* has been appointed legal guardian by a court of law, subject to the following:
 - a. The child is under 26 years of age.
 - b. The unmarried child is 26 years of age or older and: (i) was covered under the *prior plan*, was covered as a *dependent member* of the *subscriber* under another plan or health insurer, or has six or more months of other *creditable coverage*, (ii) is chiefly dependent on the *subscriber* or *spouse* for support and maintenance, and (iii) is incapable of self-sustaining employment due to a physical or mental condition. A *physician* must certify in writing that the child is incapable of self-sustaining employment due to a physical or mental condition. We must receive the certification, at no expense to us, within 60 days of the date the *subscriber* receives our request. We may request proof of continuing dependency and that a physical or mental condition still exists, but not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the *subscriber* or *spouse* for support and maintenance due to a continuing physical or mental condition. A child is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.

- c. A child who is in the process of being adopted is considered a legally adopted child if we receive legal evidence of both: (i) the intent to adopt; and (ii) that the *subscriber* or *spouse* have either: (a) the right to control the health care of the child; or (b) assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption.

Legal evidence to control the health care of the child means a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or relinquishment form, signed by the child's birth parent, or other appropriate authority, or in the absence of a written document, other evidence of the *subscriber's* or the *spouse's* right to control the health care of the child.

- d. A child for whom the *subscriber* or *spouse* is a legal guardian is considered eligible on the date of the court decree (the "eligibility date"). We must receive legal evidence of the decree.
- e. The term "child" does not include any person who is: (i) covered as a *subscriber*; or (ii) in active service in the armed forces.
- f. If both parents are covered as *subscribers*, their children may be covered as the *dependents* of either, but not of both.

However, if you do not enroll the newborn child within 31 days, the newborn is covered for only 31 days (including the date of birth).

SPECIAL ENROLLMENT FOR MAJOR LIFE EVENTS. During the year, the *subscriber* can make changes for him or herself and any eligible *dependents* if any of the Major Life Events noted below occur. Unless stated otherwise, the *subscriber* must submit a Major Life Event form to us within 31 days of the event, or as otherwise indicated below. - A Qualified Medical Child Support Order (QMCSO) requires the *subscriber* to provide for medical coverage for his or her child(ren) or relieves the *subscriber* from the responsibility of providing medical coverage for his or her child(ren). If coverage under the *subscriber's* plan is required, the *subscriber* must file the application within 31 days from the date the court order is issued.

TERMINATION AND CONTINUATION

Except as otherwise provided, your coverage may terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your Group's agreement with Us and your specific circumstances, such as whether Premium has been paid in full.

Termination of Coverage

Your coverage and that of your eligible Dependents ceases on the earliest of the following dates:

- a) The end of the month in which (1) you cease to be eligible; (2) your Dependent is no longer eligible as a Dependent under the Certificate.
- b) On the date the Certificate is terminated.
- c) On the date the Group terminates the Certificate by failure to pay the Premiums, except as a result of inadvertent error.
- d) The date contribution for coverage under the Certificate is not made when due.

For extended eligibility, see Continuation of Coverage.

You or your eligible Dependents have 60 days from the date you lose coverage, due to one of the events described above, to inform the Group that you wish to continue coverage.

1. Choosing Continuation

If you lose coverage, your employer must notify you of the option to continue coverage within 14 days after employment ends. If coverage for your Dependent ends because of divorce, legal separation, or any other change in Dependent status, you or your covered Dependents must notify your employer within 60 days.

You or your covered Dependents must choose to continue coverage by notifying the employer in writing. You or your covered Dependents have 60 days to choose to continue, starting with the date of the notice of continuation or the date coverage ended, whichever is later. Failure to choose continuation within the required time period will make you or your covered Dependents ineligible to choose continuation at a later date. You or your covered Dependents have 45 days from the date of choosing continuation to pay the first continuation charges. After this initial grace period, you or your covered Dependents must pay charges monthly in advance to the employer to maintain coverage in force.

Charges for continuation are the group rate plus a two percent administration fee. All charges are paid directly to your employer. If you or your covered Dependents are totally disabled, charges for continuation are the group rate plus a two percent administration fee for the first 18 months. For months 19 through 29, the employer may charge the group rate plus a 50 percent administration fee.

2. Second qualifying event

If a second qualifying event occurs during continuation, a Dependent qualified beneficiary may be entitled to election rights of their own and an extended continuation period. This rule only applies when the initial qualifying event for continuation is the employee's termination of employment, retirement, leave of absence, layoff, or reduction of hours.

When a second qualifying event occurs such as the death of the former covered employee, the Dependent must notify the employer of the second event within 60 days after it occurs in order to continue coverage. In no event will the first and second period of continuation extend beyond the earlier of the date coverage would otherwise terminate or 36 months.

A qualified beneficiary is any individual covered under the health plan the day before the qualified event as well as a child who is born or placed for adoption with the covered employee during the period of continuation coverage.

3. Terminating Continuation of Coverage - COBRA

Continuation of Coverage - COBRA for you and your eligible Dependents, if selected, shall terminate on the last day of the month in which any of the following events first occur:

- a) The expiration of the specified period of time for which Continuation of Coverage - COBRA can be maintained; as mandated by applicable State or Federal law;
- b) This Certificate is terminated by the Group Subscriber;
- c) The Group Subscriber's or Member's failure to make the payment for the Member's Continuation of Coverage

Questions regarding Continuation of Coverage - COBRA should be directed to your employer. Your employer will explain the regulations, qualifications and procedures required when you continue coverage.

DENTAL PROVIDERS AND CLAIMS PAYMENT

You do not have to select a particular Dentist to receive dental benefits. You have the freedom to choose the Dentist you want for your dental care. However, your Dentist choice can make a difference in the benefits you receive and the amount you pay. You may have additional out-of-pocket costs if your Dentist is a Non-Participating Dentist. There may be differences in the payment amount compared with a Participating Dentist if your Dentist is a Non-Participating Dentist.

PAYMENTS ARE MADE BY ANTHEM ONLY WHEN THE COVERED DENTAL PROCEDURES HAVE BEEN COMPLETED. THE PLAN MAY REQUIRE ADDITIONAL INFORMATION FROM YOU OR YOUR PROVIDER BEFORE A CLAIM CAN BE CONSIDERED COMPLETE AND READY FOR PROCESSING. IN ORDER TO PROPERLY PROCESS A CLAIM, THE PLAN MAY BE REQUIRED TO ADD AN ADMINISTRATIVE POLICY LINE TO THE CLAIM. DUPLICATE CLAIMS PREVIOUSLY PROCESSED WILL BE DENIED.

Requests for information is subject to all applicable California confidentiality requirements, including California laws that prohibit use of HIV and or AIDS/ARC status for purposes of determining insurability.

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for Dental Services rendered by Participating and Non-Participating Dentists is based on the Maximum Allowed Amount for the type of service performed. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating or a Non-Participating Dentist.

The Maximum Allowed Amount is the maximum amount of reimbursement Anthem will pay for Dental Services provided by a Dentist to a Member and which meet Our definition of a Covered Service.

You will be required to pay a portion of the Maximum Allowed Amount to the extent you have not met your Deductible or have a Coinsurance. In addition, when you receive Covered Services from a Non-Participating Dentist, you may be responsible for paying any difference between the Maximum Allowed Amount and the Dentist's actual charges. This amount may be significant.

When you receive Covered Services from a Dentist, We will apply processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and determine whether the provider submitted the claim with the correct dental procedure code(s). Applying these rules may affect the Maximum Allowed Amount. For example, your Dentist may have submitted the claim using several procedure codes when there is a single procedure code that includes all or a combination of the procedures that were performed. When this occurs, Our payment will be based on a single Maximum Allowed Amount for the single procedure code rather than a separate Maximum Allowed Amount for each billed procedure amount.

Likewise, when multiple procedures are performed on the same day by the same dental Provider or other dental Providers, We may reduce the Maximum Allowed Amount for those additional procedures, because reimbursement at 100% of the Maximum Allowed Amount for those procedures would represent a duplicate payment for a Dental Procedure that may be considered incidental or inclusive.

IMPORTANT: If you opt to receive dental services that are not covered services under this policy, a participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost for each service. If you would like more information about dental coverage options, you may call member services at (877) 567-1804 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

PROVIDER NETWORK STATUS

The Maximum Allowed Amount may vary depending upon whether the Provider is a Participating Dentist or a Non-Participating Dentist. There may be different levels of reimbursement for the Maximum Allowed Amount depending upon whether you elect to receive services from a Participating Dentist or a Non-Participating Dentist.

Participating Dentists

A Participating Dentist is a Dentist who has signed a written provider service agreement agreeing to service the program identified in this Certificate. For Covered Services performed by a Participating Dentist, the Maximum Allowed Amount is the rate the Dentist has agreed to accept as reimbursement for Covered Services or the Dentist's actual charges, whichever is less. Because Participating Dentists have agreed to accept the Maximum Allowed Amount as payment in full for services, they should not send you a bill or collect for amounts above the agreed upon Maximum Allowed Amount. However, you may receive a bill or be asked to pay a portion of the Maximum Allowed Amount to the extent you have exhausted your coverage for the service, have not met your Deductible, have a Coinsurance, have received non-covered services, or have exceeded the dental benefit maximum as outlined in the Summary of Benefits. Please call Our Customer Service Department at (877) 567-1804 for help in finding a Participating Dentist or visit Our website at www.anthem.com/ca/mydental.

Non-Participating Dentists

Dentists who have NOT signed a written provider service agreement agreeing to service the program identified in this Certificate are considered Non-Participating Dentists. For Covered Services you receive from a Non-Participating Dentist, the Maximum Allowed Amount will be the lesser of the Dentist's actual charges or an amount based on Our Non-Participating provider fee schedule/rate, which We reserve the right to modify from time to time, after considering one or more of the following: record fee data, reimbursement amounts accepted by like/similar providers contracted with Anthem, reimbursement amounts accepted by like/similar providers for the same services or supplies, or other industry cost, reimbursement and utilization data.

Unlike Participating Dentists, Non-Participating Dentists may send you a bill and collect for the amount of the Dentist's charge that exceeds Our Maximum Allowed Amount. You are responsible for paying the difference between the Maximum Allowed Amount and the amount the Non-Participating Dentist charges. This amount may be significant. Choosing a Participating Dentist will likely result in lower out of pocket costs to you. Please call Customer Service Department at (877) 567-1804 for help in finding a Participating Dentist or visit Our website at www.anthem.com/ca/mydental.

Customer Service is also available to assist you in determining the Maximum Allowed Amount for a particular service from a Non-Participating Dentist. In order for Us to assist you, you will need to obtain the specific procedure code(s) from your Dentist for the services the Dentist will render. You will also need to know the Dentist's charges to calculate your out of pocket responsibility. Although Customer Service can assist you with this pre-service information, the Maximum Allowed Amount for your claim will be based on the actual claim submitted.

MEMBER COST SHARE

For certain Covered Services and depending on your dental program, you may be required to pay a part of the Maximum Allowed Amount (for example, Deductible and/or Coinsurance). Your Deductible and Coinsurance cost share amount and out-of-pocket limits may vary depending on whether you received services from a Participating or Non-Participating Dentist. Specifically, you may pay higher cost sharing amounts or incur benefit limits when using Non-Participating Dentists. Please see the Summary of Benefits in this Certificate for your cost share responsibilities and limitations, or call Customer Service to learn how this Certificate's benefits or cost share amounts may vary by the type of Dentist you use.

Payment of Benefits

You authorize Us to make payments directly to Participating Dentists for Covered Services. We also reserve the right to make payments directly to you. Payments may also be made to, and notice regarding the receipt and/or adjudication of claims, an Alternate Recipient, or that person's custodial parent or designated representative. Any payments made by Us will discharge Our obligation to pay for Covered Services.

Once a Provider gives a Covered Service, We will not honor a request for Us to withhold payment of the claims submitted.

The Member is responsible for all treatment charges made by a Non-Participating Dentist. When services are obtained from a Non-Participating Dentist, any benefits payable under the group contract are paid directly to the Member unless you assign the payment directly to the provider of the dental service by indicating so on the claim form.

Notice of Claim

We are not liable under the Certificate, unless We receive written notice that Covered Services have been given to you. An expense is considered incurred on the date the service or supply was given.

The notice must be given to Us within 20 days of receiving the Covered Services. Failure to give Us notice within 20 days will not reduce any benefit if you show that the notice was given as soon as reasonably possible. Notice given by or on behalf of the insured or the beneficiary to Anthem at P.O. Box 1115, Minneapolis, Minnesota 55440-1115, or to any authorized agent of Anthem, with information sufficient to identify the insured, shall be deemed notice to Anthem.

Any benefits due under this Certificate shall be due once We have received proper, written proof of claim, together with such reasonably necessary additional information We may require to determine Our obligation. In the event We do not pay a claim within 30 days of receipt of proof of claim, We will pay interest at the rate required by law on the benefits due under the terms of the Certificate.

Claim Forms

Many Providers will file a claim form for you. If the forms are not available, send Us a notice of claim or contact customer service and ask for claim forms to be sent to you. The form will be sent to you within 15 days. After We receive a written notice of claim, We will give you any forms you need to file proof of claim. If We do not give you these forms within 15 days after you have filed your notice of claim, you will not have to use these forms, and you may file proof of claim by sending Us written proof of the occurrence, character, and the extent giving rise to the claim. Such proof must include:

- Name of patient
- Patient's relationship with the Subscriber
- Identification number
- Date, type and place of service
- Your signature and the Provider's signature

Claims should be submitted to:

Anthem Blue Cross Life and Health Insurance Company
PO Box 1115
Minneapolis, MN 55440-1115
(877) 567-1804

Proof of Claim

Written proof of claim must be submitted to Us within 12 months after the date of the event for which claim is made. If proof of claim is not sent within the time required, the claim will not be reduced or denied if it was not possible to send proof within this time. However, the proof must be sent as soon as reasonably possible. In any case, the proof required must be sent to Us no later than one year following the 12 month period specified, unless you were legally incapacitated.

Time of Payment of Claim

Any benefits due under this Certificate shall be paid immediately once We receive written proof of claim together with any information necessary to determine Our obligation. Should loss of life occur, We will pay benefits to your designated beneficiary. If you have no designated beneficiary, We will pay benefits to your estate.

Explanation of Benefits

After you receive dental care, you will often receive an Explanation of Benefits (EOB). The EOB is a summary of the coverage you receive. The EOB is not a bill, but a statement from Us to help you understand the coverage you are receiving. The EOB shows:

- total amounts charged for services/supplies received;
- the amount of the charges satisfied by your coverage;
- the amount for which you are responsible (if any);
- general information about your Appeals rights and for ERISA plans, information regarding the right to bring an action after the Appeals process.

COVERED SERVICES

Pretreatment Estimate (Estimate of Benefits)

IT IS RECOMMENDED, BUT NOT REQUIRED, THAT A PRETREATMENT ESTIMATE BE SUBMITTED TO ANTHEM PRIOR TO TREATMENT IF YOUR DENTAL TREATMENT INVOLVES MAJOR RESTORATIVE, PERIODONTICS, PROSTHETICS OR ORTHODONTIC CARE (SEE DESCRIPTION OF COVERAGES), TO ESTIMATE THE MAXIMUM ALLOWED AMOUNT. THE PRETREATMENT ESTIMATE IS A VALUABLE TOOL FOR BOTH THE DENTIST AND YOU. SUBMITTING A PRETREATMENT ESTIMATE ALLOWS THE DENTIST AND YOU TO KNOW WHAT BENEFITS ARE AVAILABLE TO YOU BEFORE BEGINNING TREATMENT. THE PRETREATMENT ESTIMATE WILL OUTLINE YOUR RESPONSIBILITY TO THE DENTIST WITH REGARD TO COINSURANCE, DEDUCTIBLES AND NON-COVERED SERVICES. THIS WILL ALLOW THE DENTIST AND YOU TO MAKE ANY NECESSARY FINANCIAL ARRANGEMENTS BEFORE TREATMENT BEGINS. THIS PROCESS DOES NOT PRIOR AUTHORIZE THE TREATMENT NOR DETERMINE ITS DENTAL OR MEDICAL NECESSITY. THE ESTIMATED MAXIMUM ALLOWED AMOUNT IS BASED ON YOUR CURRENT ELIGIBILITY AND CONTRACT BENEFITS IN EFFECT AT THE TIME OF THE COMPLETED SERVICE. SUBMISSION OF OTHER CLAIMS OR CHANGES IN ELIGIBILITY OR THE CONTRACT MAY ALTER FINAL PAYMENT. THIS IS NOT A GUARANTEE OF BENEFITS.

After the examination, your Dentist will establish the dental treatment to be performed. If the dental treatment necessary involves major restorative, periodontics, prosthetics or orthodontic care, you should submit a claim form to Anthem outlining the proposed treatment. Anthem will determine if the proposed treatment is covered and estimate the Maximum Allowed Amount, including your responsibility for Coinsurance, Deductibles and non-covered services.

A statement will be sent to you and your Dentist estimating the amount of the Maximum Allowed Amount, including the amount that you will owe. These estimates will be subject to your continuing eligibility and the Group Contract remaining in effect. If claims for other completed Dental Services are received and processed prior to the completion date of the proposed treatment, this may reduce Anthem's estimated Maximum Allowed Amount for the proposed treatment and increase your obligation to the Dentist.

TO AVOID ANY MISUNDERSTANDING OF THE MAXIMUM ALLOWED AMOUNT OR THE AMOUNT THAT YOU WILL OWE, ASK YOUR DENTIST ABOUT HIS OR HER PARTICIPATION STATUS AND IF HE OR SHE HAS AGREED TO SERVICE THIS DENTAL PROGRAM PRIOR TO RECEIVING DENTAL CARE.

You will be responsible for payment of any Deductibles and Coinsurance amounts and any dental treatment that is not considered a Covered Service under your Certificate.

The Plan covers the following Dental Procedures when they are performed by a licensed Dentist and when necessary and customary as determined by the standards of generally accepted dental practice. The benefits under this Certificate shall be provided whether the Dental Procedures are performed by a duly licensed physician or a duly licensed Dentist, if otherwise covered under this Certificate, provided that such Dental Procedures can be lawfully performed within the scope of a duly licensed Dentist.

As a condition precedent to the approval of claim payments, the Plan shall be entitled to request and receive, to such extent as may be lawful, from any attending or examining Dentist, or from hospitals in which a Dentist's care is provided, such information and records relating to a Member as may be required to pay claims. Also, the Plan may require that a Member be examined by a dental consultant retained by Anthem in or near the Member's place of residence. Anthem and the Plan shall hold such information and records confidential.

Anthem does not determine whether a service submitted for payment or benefit under this Certificate is the appropriate Dental Procedure to treat a specific condition or restore dentition for an individual. The Plan evaluates Dental Procedures submitted to determine if the procedure is a covered benefit. Your coverage includes a preset schedule of Dental Services that are eligible for benefit by Anthem. Other Dental Services may be recommended or prescribed by your Dentist that offer you an enhanced cosmetic appearance, or are more frequent than covered by Anthem. While these services may be prescribed by your Dentist, they may not be a Dental Service that is benefited by Anthem or they may be a service where Anthem provides a payment allowance for a service that is considered to be optional treatment. If Anthem gives you a payment allowance for optional treatment that is covered, you may apply this Anthem payment to the service prescribed by your Dentist which you elected to receive. Services that are not covered by Anthem or exceed the frequency of plan benefits do not imply that the service is or is not necessary to treat your specific dental condition. You are responsible for Dental Services that are not covered or benefited by Anthem. The determination of services necessary to meet your individual dental needs is between you and your Dentist.

ONLY those services listed below are covered. Deductibles and Dental Benefit Maximums are listed under the Summary of Benefits. Covered Services are subject to the limitations within the Benefits, Exclusions and Limitations sections described below. For estimates of Covered Services, please see the "Pretreatment Estimate" section of this Certificate.

Relationship of Parties (Plan - Participating Dentists)

The relationship between the Plan and Participating Dentists is an independent contractor relationship. Participating Dentists are not agents or employees of the Plan, nor is the Plan, or any employee of the Plan, an employee or agent of Participating Dentists.

The Plan shall not be responsible for any claim or demand on account of damages arising out of, or in any manner connected with, any injuries suffered by a Member while receiving care from any Participating Dentist or in any Participating Dentist's facilities.

Your Participating Dentist's agreement for providing Covered Services may include financial incentives or risk sharing relationships related to provision of services or referrals to other Providers, including Participating Dentists and Non-Participating Dentists. If you have questions regarding such incentives or risk sharing relationships, please contact your Provider or the Plan.

Not Liable for Provider Acts or Omissions

The Plan is not responsible for the actual care you receive from any person. This Certificate does not give anyone any claim, right, or cause of action against the Plan based on what a Provider of dental care, services or supplies, does or does not do.

Identification Card

Your Identification Card identifies the dental program in which you are enrolled. When you receive care from a Participating or Non-Participating Dentist, you must show your Identification Card. Possession of an Identification Card confers no right to services or other benefits under this Certificate. To be entitled to such services or benefits you must be a Member on whose behalf all applicable Premiums under this Certificate have been paid. If you receive services or other benefits to which you are not then entitled under the provisions of this Certificate you will be responsible for the actual cost of such services or benefits.

Circumstances Beyond the Control of the Plan

In the event of circumstances not within the control of the Plan, including but not limited to, a major disaster, epidemic, the complete or partial destruction of facilities, riot, civil insurrection, labor disputes not within the control of the Plan, disability of a significant part of a Participating Dentist's personnel or similar causes, or the rendering of dental care services provided under this Certificate is delayed or rendered impractical, the Plan shall make a good-faith effort to arrange for an alternative method of providing coverage. In such event, the Plan and Participating Dentists shall render dental care services provided under this Certificate insofar as practical, and according to their best judgment; but the Plan and Participating Dentists shall incur no liability or obligation for delay, or failure to provide or arrange for services if such failure or delay is caused by such an event.

Reinstatement of Coverage for Members of the Military

Members of the United States Military Reserve and National Guard who terminate coverage as a result of being ordered to active duty, may have their coverage reinstated without waiting periods or exclusions of coverage for preexisting conditions.

Continuation of Care After Termination of a Participating Dentist

Upon the termination of the contract or other agreement with any Participating Dentist, we shall be liable to pay the cost of Covered Services (other than any applicable deductible and coinsurance) rendered by that Participating Dentist to a Member who retains eligibility under this Certificate or by operation of law, and who is under the care of that Participating Dentist at the time of such termination, and that Participating Dentist shall continue to provide such services for treatment in progress to the Member in accordance with the terms of this Certificate, until the treatment in progress is completed, up to a maximum of 90 days unless reasonable and medically appropriate provision is made for the completion of treatment in progress by another Participating Dentist.

Coordination of Benefits

Special COB rules apply when you or members of your family have additional dental care coverage through other group dental plans, including:

- group insurance plans, including other Anthem plans;
- labor management trustee plans, union welfare plans, employer welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax-supported or government program to the extent permitted by law.

All benefits provided under this agreement are subject to this provision. However, benefits will not be increased by this COB provision. This provision applies if the total payment under this agreement absent this provision and under any other contract is greater than the value of covered services.

Primary coverage and secondary coverage. When a member is also enrolled in another group dental plan, one coverage will pay benefits first (be primary) and the other will pay second (be secondary). The primary coverage will pay benefits first. The decision of which coverage will be primary or secondary is made using benefit determination rules.

When we provide secondary coverage, we first calculate the amount that would have been payable had we been primary. Then we coordinate benefits so that the combination of the primary plan's payment and our payment does not exceed the amount we would have paid had it been primary.

Definition of "other contract". Other contract means any arrangement providing dental care benefits or services through:

- group or blanket insurance coverage;
- group Anthem, health maintenance organization, and other prepayment coverage;
- coverage under labor management trustee plans, union welfare plans, employer organization plans, or employee benefit organization plans; and
- coverage under any tax supported or government program to the extent permitted by law.

If there is more than one other contract, this provision will apply separately to each. If another contract has a coordination of benefits provision that applies to only part of its services, the terms of this paragraph will be applied separately to that part and to any other part.

Anthem will not determine the existence of any other contract, or the amount of benefits payable under any other contract except this agreement. The payment of benefits under this agreement shall be affected by the benefits payable under other contracts only when Anthem is given information about other contracts.

If the rules of this agreement and the other contract both provide that this agreement is primary, then this agreement is primary. When Anthem determines that this agreement is secondary under the rules described below, benefits will be coordinated so that our payment plus the other contract's payment will not exceed Anthem *maximum allowed amount for covered services*.

Order of Benefit Determination Rules

1. Pediatric Dental Coordination of Benefits (COB). If pediatric dental Essential Health Benefits are included as part of the medical plan, the medical plan will be the primary coverage and any standalone dental plan will be secondary.
2. If you have two dental plans, the plan which includes pediatric dental Essential Health Benefits will be the primary coverage.
3. If neither of the above applies, the Order of Benefit Determination Rules below will determine coordination of benefits.
4. If you are covered under one plan as a primary insured and another plan as a dependent, the plan under which you are the primary insured will be the primary coverage.
5. As required by law, if you or a dependent also has coverage under Medicare, this plan will always be primary.
6. For children who are covered under both parents' contracts, the following will apply:
 - a. The contract of the parent whose birthday occurs earlier in the calendar year will be primary.
 - b. When parents are separated or divorced, the following special rules will apply:
 - i. If the parent with custody has not remarried, that parent's contract will be primary.
 - ii. If the parent with custody has remarried, that parent's contract will be primary and the stepparent's contract will be secondary. The benefits of the contract of the parent without custody will be determined last.
 - iii. The rules listed above may be changed by a court decree:
 - A court decree that orders one of the parents to be responsible for health care expenses will cause that parent's contract to be primary, but only if the entity providing the benefits in this case is notified of the court decree before applying benefits.
 - If the court decree does not state that one of the parents is responsible for health care expenses and both parents have joint custody, the contract of the parent whose birthday occurs earlier in the calendar year will be primary.
7. If the other contract includes the gender rule, then that rule will be used instead of the rules listed above. The gender rule states that the father's contract will be primary for the children.
8. If there are situations not covered above, then the contract that has been in effect the longest period of time (without interruption) will be primary. There is an exception to this rule. The contract that covers a working employee (or his dependent) will be primary. The contract of a laid-off employee, a retired employee, or a person on continuation of coverage options under federal or state law will be secondary.
9. If another contract has different rules from those listed above other than the gender rule, that contract will be primary.

If payments should have been made under this agreement under the rules of this provision, but they have been made under any other contract, Anthem may pay an entity (provider, other carrier, etc.) that has paid any amounts it determines will meet the intent of this provision. These amounts shall be deemed to be benefits paid under this agreement. Upon this payment, Anthem will no longer be liable under this agreement.

Relationship of Parties (Group-Member-Plan)

Neither the Group nor any Member is the agent or representative of the Plan.

The Group is fiduciary agent of the Member. The Plan's notice to the Group will constitute effective notice to the Member. It is the Group's duty to notify the Plan of eligibility data in a timely manner. The Plan is not responsible for payment of Covered Services of Members if the Group fails to provide the Plan with timely notification of Member enrollments or terminations.

Conformity with Law

Any provision of this Certificate which is in conflict with the laws of the state in which the Group Dental Contract is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications

This Certificate allows the Group to make the Plan coverage available to eligible Members. However, this Certificate shall be subject to amendment, modification, and termination in accordance with any of its provisions, the Group Dental Contract, or by mutual agreement between the Plan and the Group without the permission or involvement of any Member. Changes will not be effective until 30 days after We provide written notice to the Group about the change. By accepting the Plan benefits, all Members who are legally capable of entering into a contract, and the legal representatives of all Members that are incapable of entering into a contract, agree to all terms, conditions, and provisions in this Certificate.

Right of Recovery

When the amount We paid exceeds Our liability under this Certificate, We have the right to recover the excess amount. This amount may be recovered from you, the person to whom payment was made or any other plan. The request for recovery must be made within 365 days of the initial payment.

CLAIM AND APPEAL PROCEDURES

All claims should be submitted within 12 months of the date of service. An initial benefit determination on your claim will be made within 30 days after receipt of your claim. You will receive written notification of this benefit determination. The 30-day period may be extended for an additional 15 days if the claim determination is delayed for reasons beyond Our control. In that case, We will notify you prior to the expiration of the initial 30-day period of the circumstances requiring an extension and the date by which We expect to render a decision. If the extension is necessary to obtain additional information from you, the notice will describe the specific information We need, and you will have 45 days from the receipt of the notice to provide the information. Without complete information, your claim will be denied.

Appeals

In the event that We deny a claim in whole or in part, you have a right to a full and fair review. Your request to review a claim must be in writing and submitted within 180 days from the claim denial. We will make a benefit determination within 60 days following receipt of your appeal.

Your appeal must include your name, your identification number, group number, claim number, and dentist's name as shown on the Explanation of Benefits. Send your appeal to:

Anthem Blue Cross Life and Health Insurance Company
Attention: Appeals Unit
PO Box 1115
Minneapolis, MN 55440-1115

You may submit written comments, documents, or other information in support of your appeal. You will also be provided, upon request and free of charge, reasonable access to and copies of all relevant records used in making the decision. The review will take into account all information regarding the denied or reduced claim (whether or not presented or available at the initial determination) and the initial determination will not be given any weight.

The review will be conducted by someone different from the original decision-makers and without deference to any prior decision. Because all benefit determinations are based on a preset schedule of Dental Services eligible under your plan, claims are not reviewed to determine dental necessity or appropriateness. In all cases where professional judgment is required to determine if a procedure is covered under your plan's schedule of benefits, We will consult with a dental professional who has appropriate training and experience. In such a case, this professional will not be the same individual whose advice was obtained in connection with the initial adverse benefit determination (nor a subordinate of any such individual). In addition, We will identify any dental professional whose advice was obtained on Our behalf, without regard to whether the advice was relied upon in making the benefit determination. If, after review, We continue to deny the claim, you will be notified in writing.

To the extent your plan is covered by ERISA, after you have exhausted all appeals, you may file a civil action under section 502(a) of ERISA.

Authorized Representative

You may authorize another person to represent you and with whom you want Us to communicate regarding specific claims or an appeal. However, no authorization is required for your treating dentist to make a claim or appeal on your behalf. The authorization form must be in writing, signed by you, and include all the information required in Our Authorized Representative form. This form is available at Our web site or by calling Customer Service Department at (877) 567-1804. You can revoke the authorized representative at any time, and you can authorize only one person as your representative at a time.

BINDING ARBITRATION

ALL DISPUTES INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICES UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND CLAIMS OF MEDICAL MALPRACTICE MUST BE RESOLVED BY BINDING ARBITRATION, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT AND THE DISPUTE CAN BE SUBMITTED TO BINDING ARBITRATION UNDER APPLICABLE FEDERAL AND STATE LAW, INCLUDING BUT NOT LIMITED TO, THE PATIENT PROTECTION AND AFFORDABLE CARE ACT.

It is understood that any dispute including disputes relating to the delivery of services under the plan or any other issues related to the plan, including any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.

YOU AND ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE COMPANY AGREE TO BE BOUND BY THIS ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL OR TO PARTICIPATE IN A CLASS ACTION IS WAIVED FOR BOTH DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the member making a written demand on Anthem Blue Cross Life and Health Insurance Company. The arbitration will be conducted by a single neutral arbitrator from Judicial Arbitration and Mediation Services ("JAMS"), according to JAMS' applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by a single neutral arbitrator from another neutral arbitration entity, by agreement of the Insured and Anthem Blue Cross Life and Health Insurance Company, or by order of the court, if the Insured and Anthem Blue Cross Life and Health Insurance Company cannot agree. If the parties cannot agree on the individual neutral arbitrator, the arbitrator will be selected in accordance with JAMS Rule 15 (or any successor rule).

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. Unless you, and Anthem Blue Cross Life and Health Insurance Company agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative or class proceeding.

Please send all Binding Arbitration demands in writing to:

EMPLOYEE RETIREMENT INCOME SECURITY ACT (ERISA)

Plan Administration

The Plan Administrator, who is listed on the inside front cover of this brochure, is a named fiduciary under the Program and shall be responsible for the management and control of this Program.

The Plan Administrator is responsible for determining the level of benefits for the Program as described in this brochure. The Plan Administrator reserves the power at any and from time to time (and retroactively, if necessary or appropriate to meet the requirements of the code or ERISA) to modify or amend, in whole or in part, any or all provisions of the Plan, provided, however, that no modification or amendment shall divest an employee of a right to those benefits to which he or she has become entitled under the Plan.

Funding Policy and Payment

The funding policy and method requires that the Group Subscriber submit payments on a monthly basis.

Procedure to Request Information

If you have any questions about this Program, contact the Plan Administrator who is listed in the inside front cover of this brochure.

Statement of ERISA Rights

As a participant in the Program, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

1. Examine without charge at the Plan Administrator's office and at other specified locations such as work sites and union halls, all Plan documents, including insurance contracts, and copies of all documents such as detailed annual reports and Plan descriptions filed by the Plan with the U.S. Department of Labor.
2. Obtain copies of all Plan documents and other Plan information upon written request to the Plan Administrator. The Plan Administrator may make a reasonable charge for the copies.
3. Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your Group, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining welfare benefits or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part, you must receive a written explanation of the reason for the denial. You have the right to have the Plan review and reconsider your claim.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your right, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If it finds your claim is frivolous, you will be responsible for these costs and fees. If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W, Washington, D.C. 20210.
